CHIPPEWA NATIONAL FOREST

ATV/OHV

The Grand Rapids, MN area offers thousands of acres of federal, state, county and industrial forest land that are open to off-highway vehicle riding, and several designated trails. Forest or logging roads are an excellent choice for ATV/OHV use as well.

There are over 200 miles of ATV trails to ride. Itasca County

has opened all of their roads (except Cty Rd 75 – into the Scenic State Park), and the City of Grand Rapids has also opened up their streets to ATV travel (except the Downtown Business District – 1st Ave, Pokegama Ave, and 1st Street). To access the downtown businesses it is suggested to ride 3rd Street to 3rd Ave to 5th Street. ATVs can park in the Old Central School parking lot and the public parking lot

across from Super One.

The experience you will have on the ATV/OHV trails is a mixed hardwood and pine forest, and around tamarack bogs, that wind through the

Chippewa National Forest, George Washington State Forest, Itasca County public forests, and private land owners land that have signed an agreement for the

SNOWMOBILING

There are over 300 miles of well groomed and designated snowmobile trails in the Grand Rapids, Minnesota area. The start of the famous State Taconite trail starts in Grand Rapids at the Itasca County Fairgrounds. There are eleven snowmobile clubs that work diligently to ensure that the snowmobile trails are well maintained, groomed weekly, and properly signed for you to stay on the trail. The Itasca County snowmobile trail is extensive and takes you through

mixed hardwood and pine forests, across tamarack bogs and area lakes.

Grand Rapids is a winter wonderland, and the snowmobile trails allow you to travel further into the forests that are off the beaten path locations where you will see Northwoods animals like deer, and sometimes coyotes and wolves (don't worry, they are more afraid of you, than you are of them). You will also have access to cozy lodging properties and area restaurants and bars. ■

Be like Charles.

Blandin Beach opening celebration - 1948

Providing resources that improve the lives of working-class folks formed the core of Charles Blandin's intent for the foundation, and his vision for the community.

Each of us has opportunities, big or small, to provide support. From building a community swimming beach, like the Foundation's first-ever grant, to joining friends and neighbors to fight hunger, we show the "spirit of helpfulness to one's fellow man" Mr. Blandin recognized as our region's distinctive character.

So whenever you can, and however you're able - be like Charles.

Those supports make a difference now, building the dignity fundamental to healthy communities. They also build up our communities and our region toward a resilient, regenerative future.

The Grand Rapids, Minnesota area is known for off the beaten path recreation opportunities. There are three scenic byways to travel to view natural and scenic views and overlooks, places to eat, shop, and stay, and many places to bike, hike, fish, and paddle along the way.

The mighty Mississippi River flows right through downtown Grand Rapids, Minnesota, the All-American Great River Road Minnesota comes in and out of Itasca

County where you can follow the Mississippi and also several locations where you can get an up close and personal view.

Location 1: Schoolcraft State Park,

The Avenue of the Pines Scenic Byway is known for 200 year old pine trees that offer a majestic scenic drive in the Chippewa National Forest and around several lake and trail areas,

including Lake Winnibigoshish. Some of the scenic byways outstanding scenic values include views of mature red pines stands, sparkling lakes, marshes, and aspen stands.

A National Scenic Byway

The Edge of the Wilderness Scenic Byway was once used by voyageurs and loggers through the Chippewa National Forest, over rolling hills, and past bogs and fishing lakes. Much of

the 47-mile drive that connects Grand Rapids to Effie was reconstructed in recent years, promising a smooth ride and spectacular scenery - from historic sites and lumberjack-influenced small towns to bald eagles and balsam firs.

Fishing in the Grand Rapids Area

TOM NEUSTROM, MN FISHING CONNECTIONS

The Grand Rapids, MN area is home to more than 1,000 lakes prime for fishing. A fishing mecca for anglers in search of walleye, bass, crappies, northerns, musky, trout, panfish, perch and more. The Itasca lakes have proven themselves by hosting a variety of amateur and professional fishing tournaments throughout the years.

The mighty Mississippi River runs right through our city, as well as several smaller rivers and tributaries located in the area. If you want to casually fish the river is the perfect place to target walleye, bass, bluegill, crappie or muskie; you will find a couple fishing piers in town (Pokegama Dam, Sylvan Bay Fishing Pier, Forest History Center, and the Grand Rapids Area Library). You can launch a boat to fish the Mississippi at the Pokegama Dam, Sylvan Bay, and

Steamboat Landing.

The Grand Rapids, MN area lakes are also known for good ice fishing. A couple of places to consider ice fishing where you can walk from shore: Tioga Beach Boat Landing, Sylvan Bay Landing, Forest Lake downtown Grand Rapids,

and Trout Lake in Coleraine. If you are wanting to experience wheelhouse fishing, there are many Lake Winnibigoshish Resorts that offer ½ day and

full day rentals. Ice fishing is one of those bucket list vacation items to do in the Grand Rapids, MN area. ■

Golfing in the Grand Rapids Area

There are three 18-hole championship golf courses in the Grand Rapids, MN area that are located on three beautiful lakes. The locals call these golf courses the Grand Lakes of Golf. These courses are all family-friendly and suitable for all skill levels. Each course offers a driving range, practice putting green, club rentals, a pro shop, and an

Your Co-op is your Community

Power is a way of building community. At Lake Country Power, we are your energy community, and the power we provide is much more than a way to keep the lights on. It's how you plug into your family, friends and neighbors that make up your local cooperative.
